

Halt Mal Kurz

Jenny Matthiesen

November 2, 2020

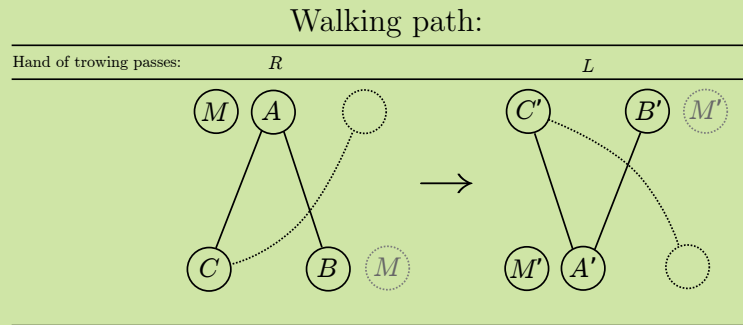

Beat	R 1	L 2	R 3	L 4	R 5	L 6	R 7	L 8	R 9	
A	P_B	S	P_C	S	P_C	S	S	S	S	$\rightarrow C'$
B	P_A	S	S	S	P_A	S	S	S	-	$\rightarrow A'$
C	S	S	P_A	S	S	S	P_A	S	S	$\rightarrow B'$
M	C_A	Zip	S_C^A	-	S_B^A	Zip	-	I_B	-	$\rightarrow M'$

P To M.

Hands are mirrored after every period.

\rightarrow Right handed passes becomes left handed passes and vice versa.

The mirrored side is marked by (').

Note that in the notation above, C is walking. The pattern can likewise be done moving to the other side, when B is walking. Then the sequence of M would be : $C_A S_B^A S_C^A I_C$.
